CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the
bar,
When I put out to sea,
But such a tide as moving seems asleep
Too full for sound and foam,
When that which drew from out the
boundless deep
Turns again home.
Twilight and evening bell,
And after that the dark!
And may there be no sadness of fare-
well,
When I embark;
For tho' from out our bourne of Time
and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

"I am part of all that I have met."

Alfred, Lord Tennyson

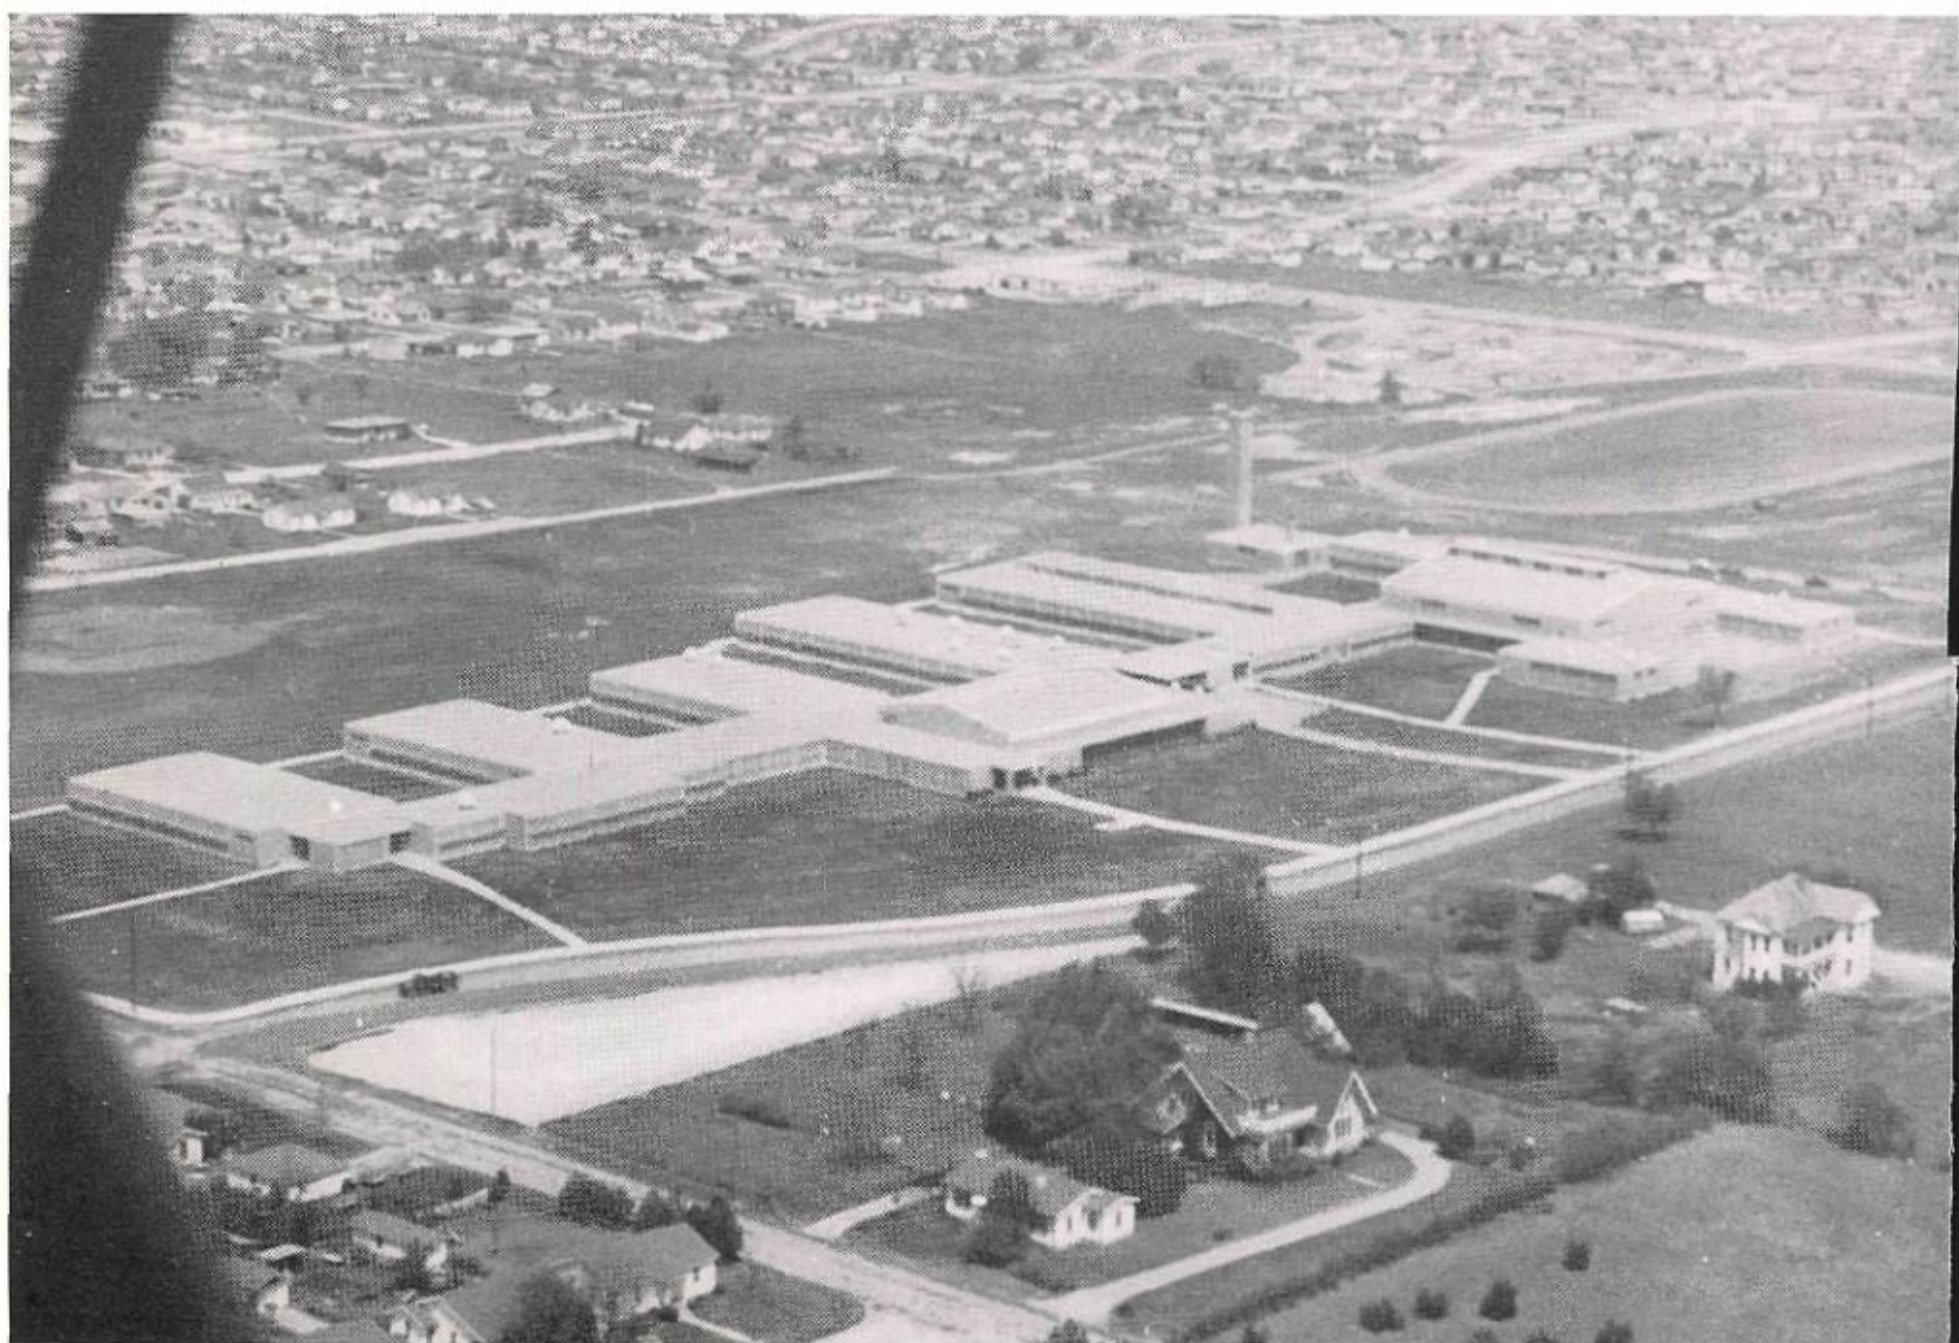

A warmth and sincerity that shines inside the classroom and out has made Mr. Guy Bizzell known and loved by all his associates. His ability to work with teenagers and bring out their best—not only in speech and dramatic interpretation, but also in daily living—has gained him the respect of parents, teachers, and the teenagers themselves.

It is with the sincerest admiration and affection that the staff members of the 1956 McCallum *Knight* dedicate it to such a man.

From a lonely-looking brick building on a hill of dust and weeds to an efficient looking school building on a campus of green—this is the change wrought on McCallum in only three years, not by nurserymen, but by the students and their parents backed by the P-TA and aided by the custodians.

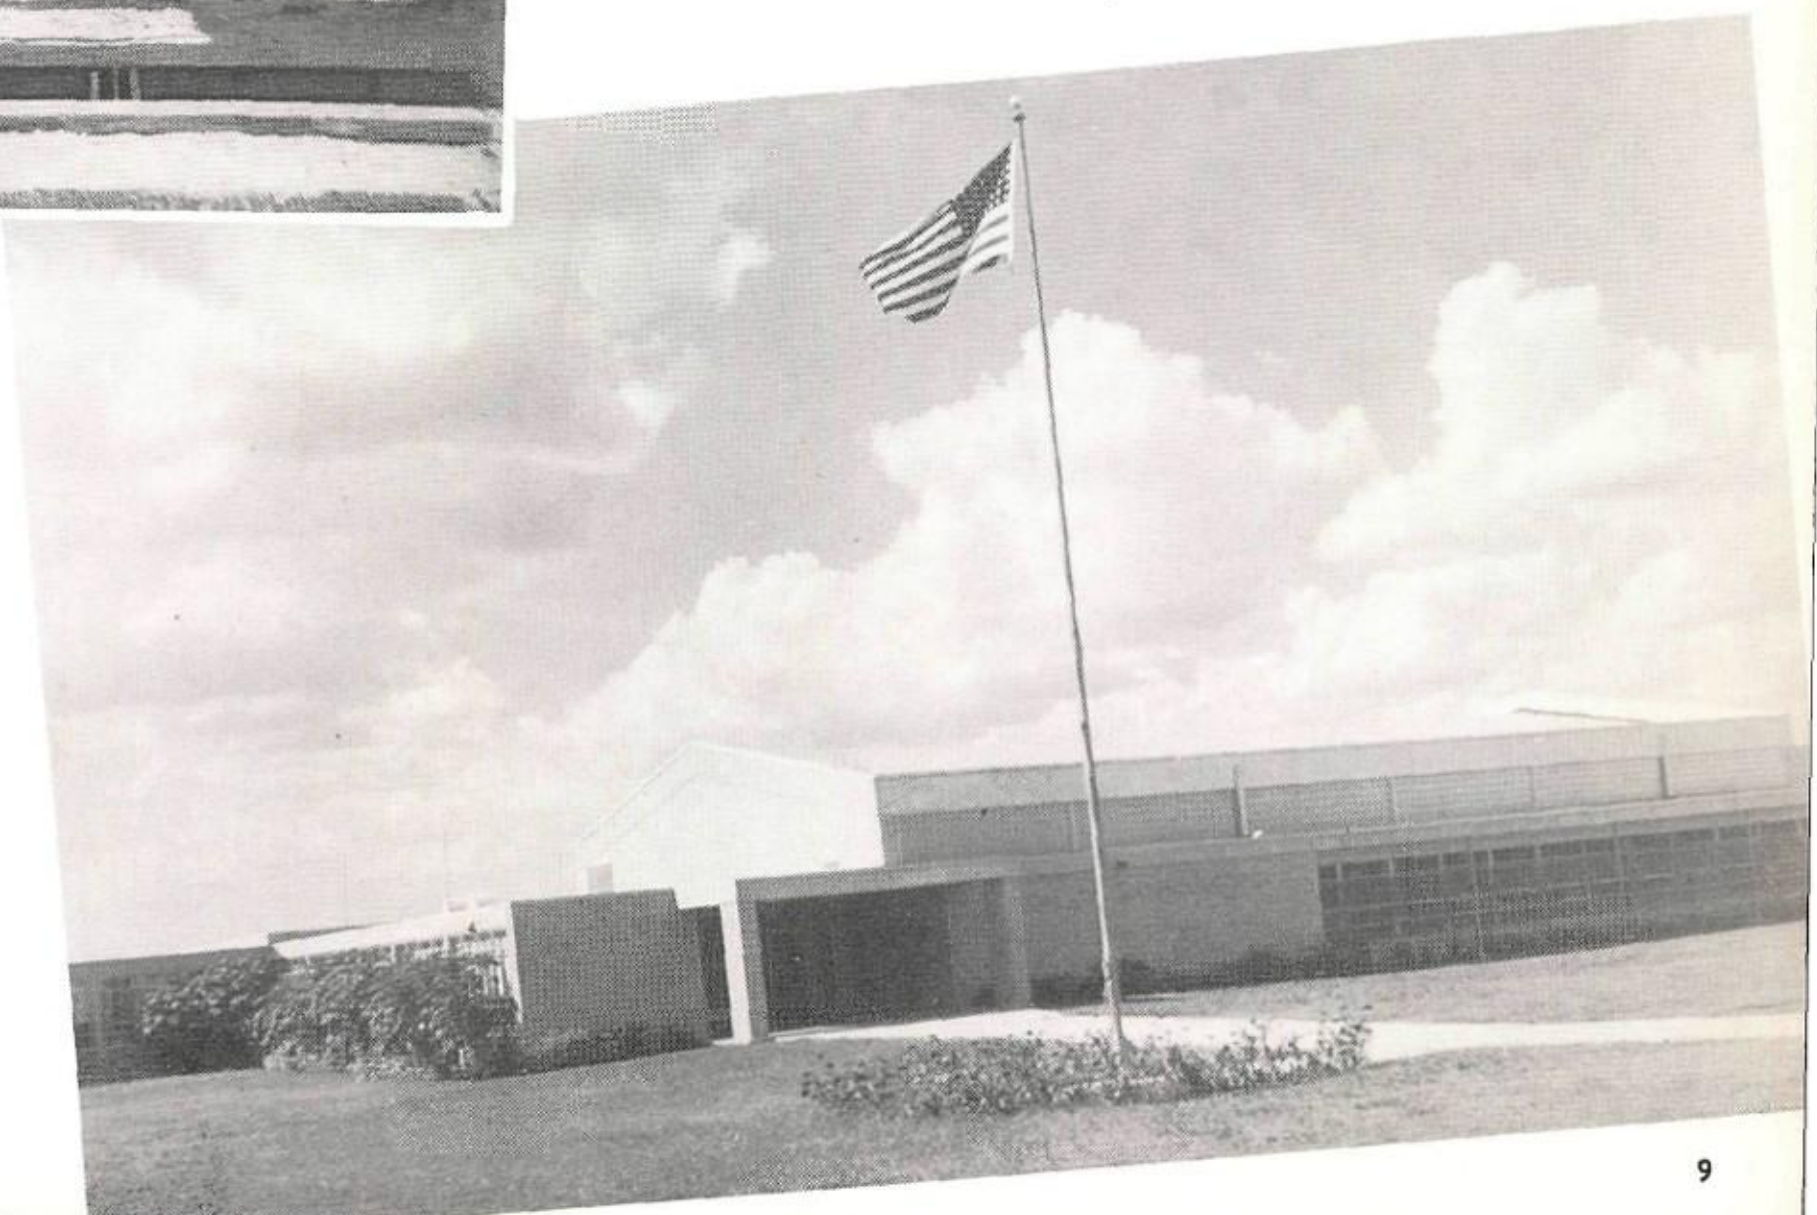

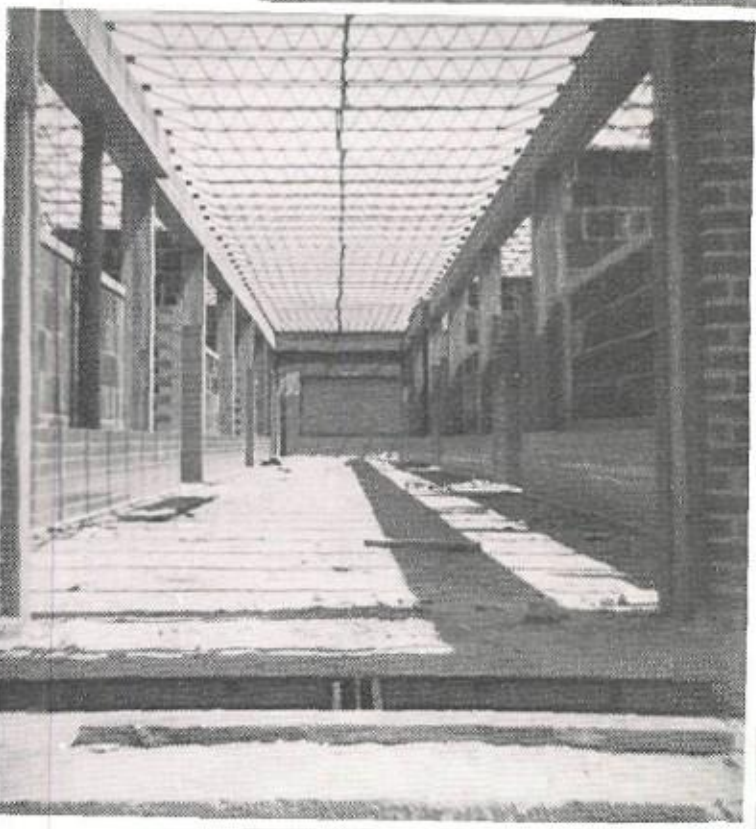

This aerial view of McCallum shows the growing community our high school is serving with ever increasing success.

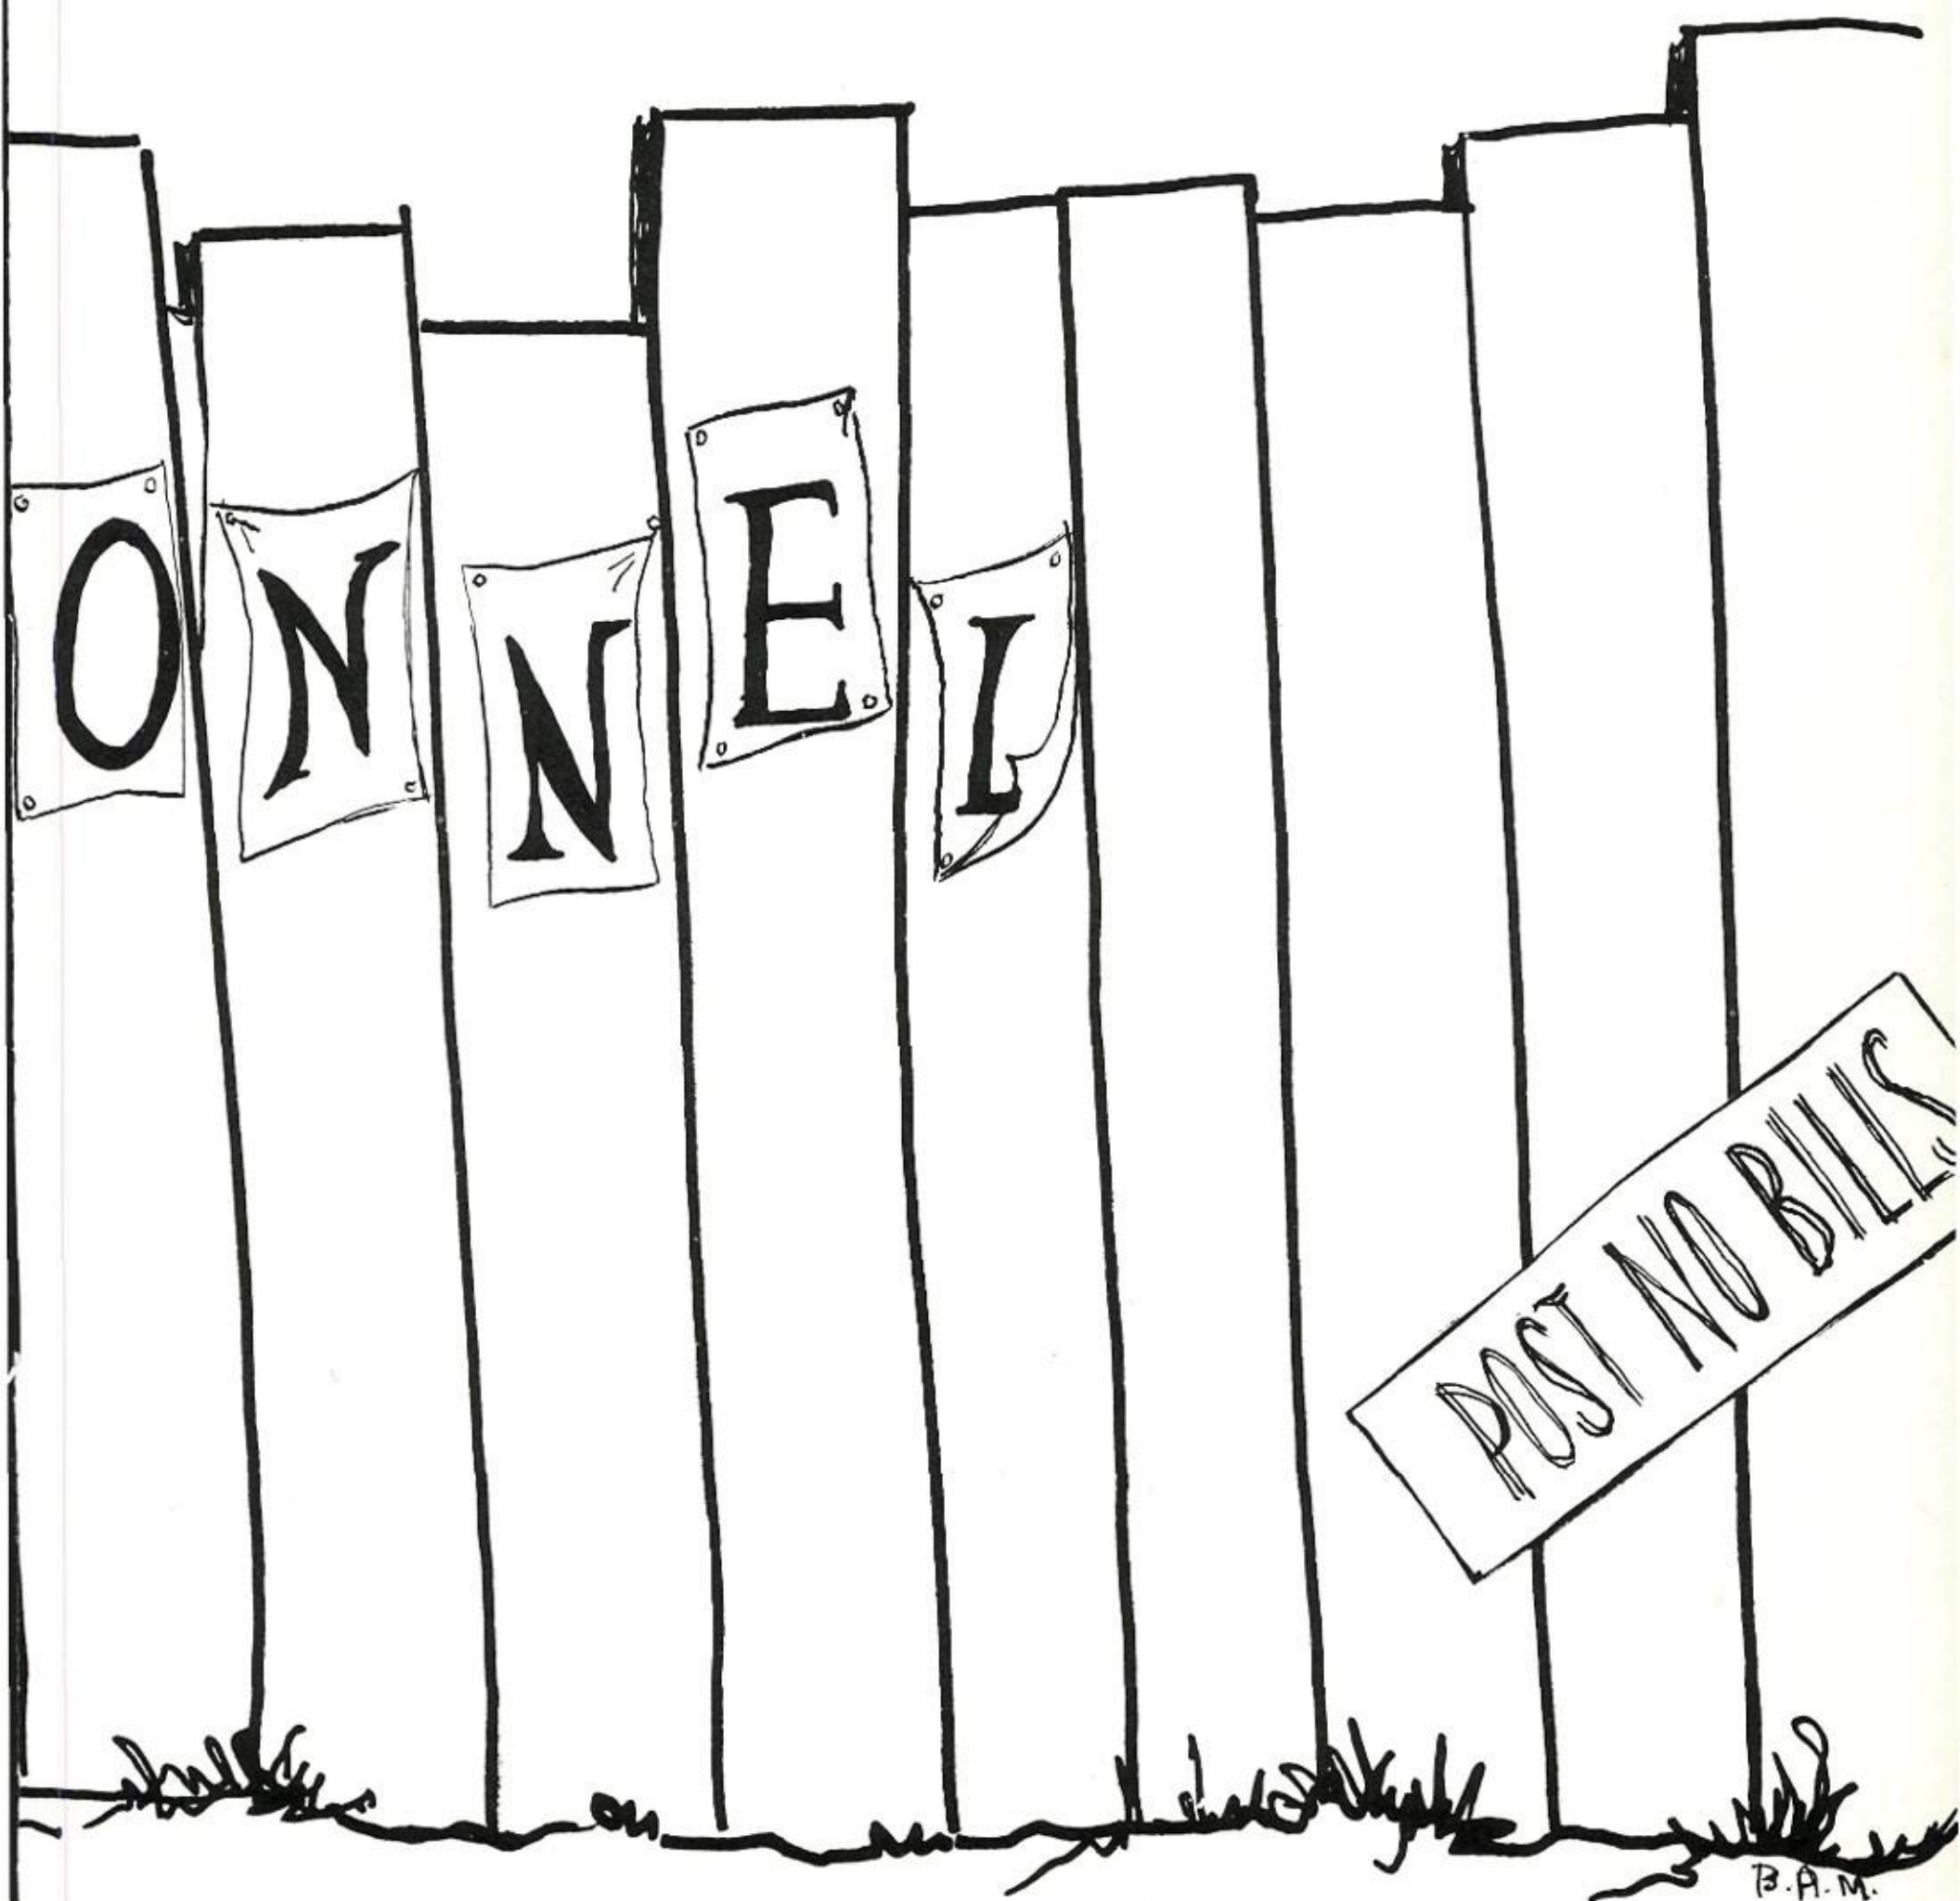

From a skeleton of steel and brick in '52 to a beautiful building surrounded by blooming shrubbery and green grass in '55, McCallum has become a proud part of Austin and Texas life.

SENIORS

"Well, we're here, but we're not to sure if we like it or not." Seniors say these words with superior smiles belied by misty eyes. The road has been long—at times, rather rough—but the kids wouldn't have traded it for all the gold in the world. The friends they've made, the contests they've won, the times they've had, the experiences they've gained—these have added a valuable part to the life of each senior which will supply him with a wealth of memories for the rest of his life.

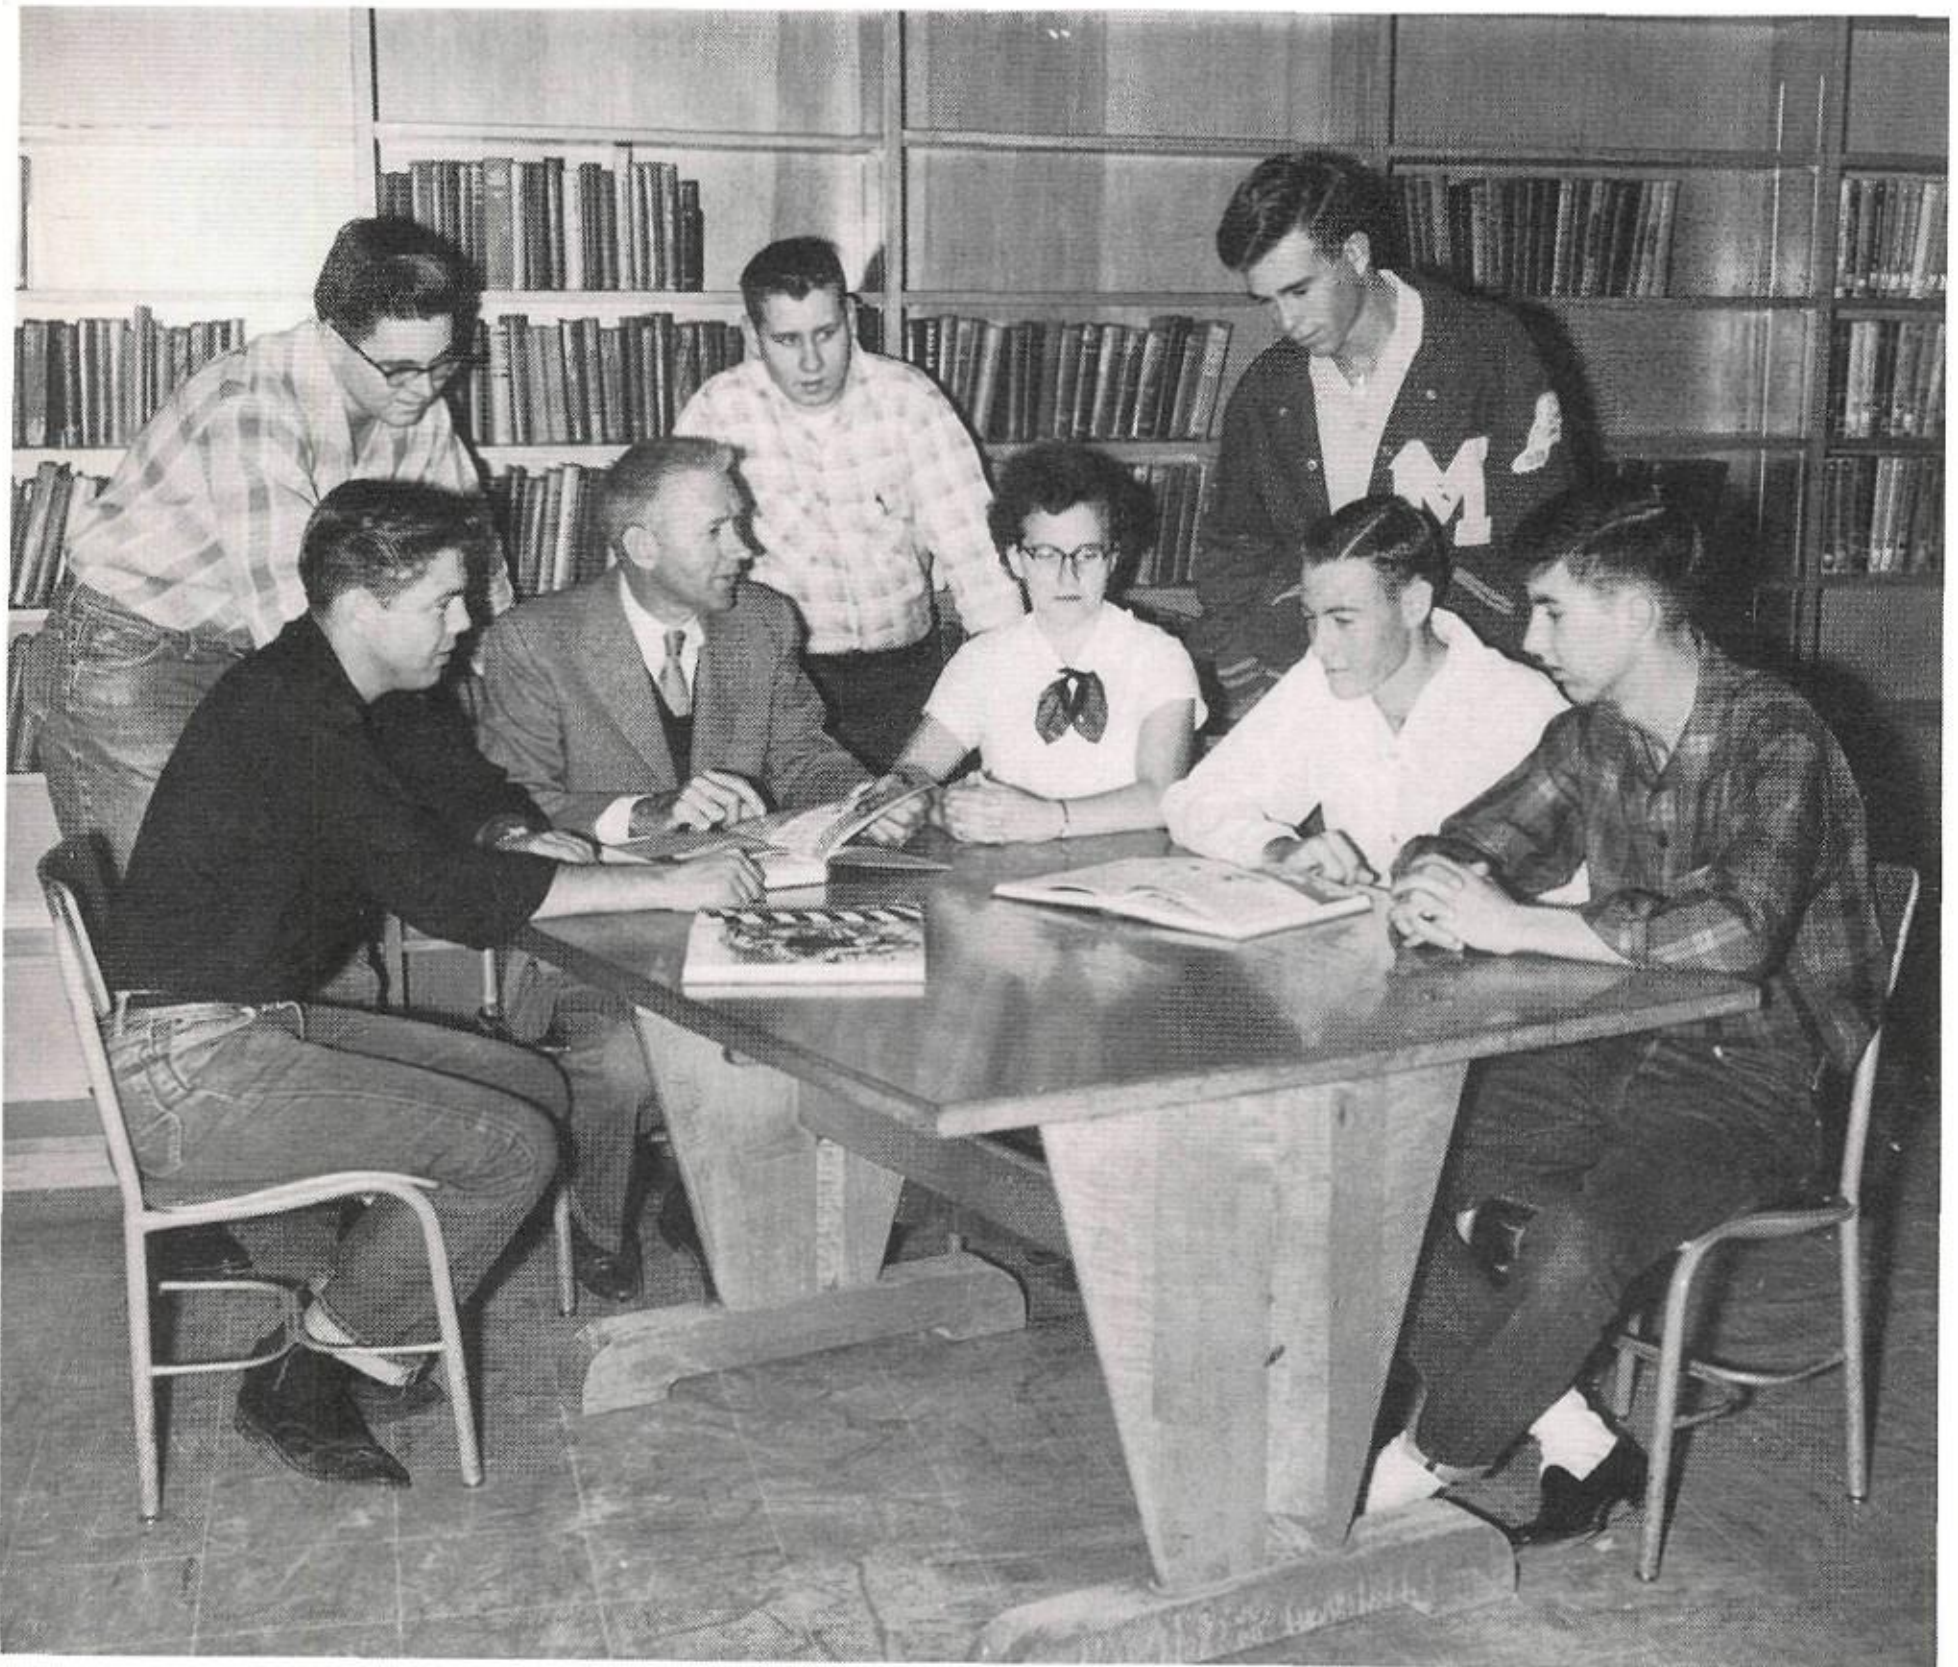

The road before the seniors branches in many directions, but perhaps the highways aren't as rough as they appear and perhaps someday, somewhere some of them will cross again.

JUNIORS

The big dip, the last bump, and then the top—this is the road of the eleventh grader. He's in the middle of things, preparing to take the lead. He's taking his last look at the "common people" as he takes the steps, three at a time, to his big year—his senior year.

McCallum's senior class of '57 will have no trouble in getting adjusted to the bustle of the twelfth grade. They've shown through their participation in the various school activities, that they are capable of taking the lead and holding it in a firm hand.

SOPHOMORES

The tenth grade is a busy, happy time in high school life. Caught between the rush of the ninth grade and the grind of the eleventh, the youngsters sail along slowly on a smooth road, participating in extra-curricular activities and studying at irregular intervals.

McCallum's tenth grade of '56 is no exception—Press Capades and other dramatic activities, journalistic attempts, and athletic endeavors have kept these students occupied and have shown the rest of the school that these youngsters are well equipped to meet the challenges on the rougher road ahead.

FRESHMEN

Ninth graders have to push hard to get started, but it's the general opinion among them that the results are well worth the effort—even when they have to yield the right-of-way to the upperclassmen.

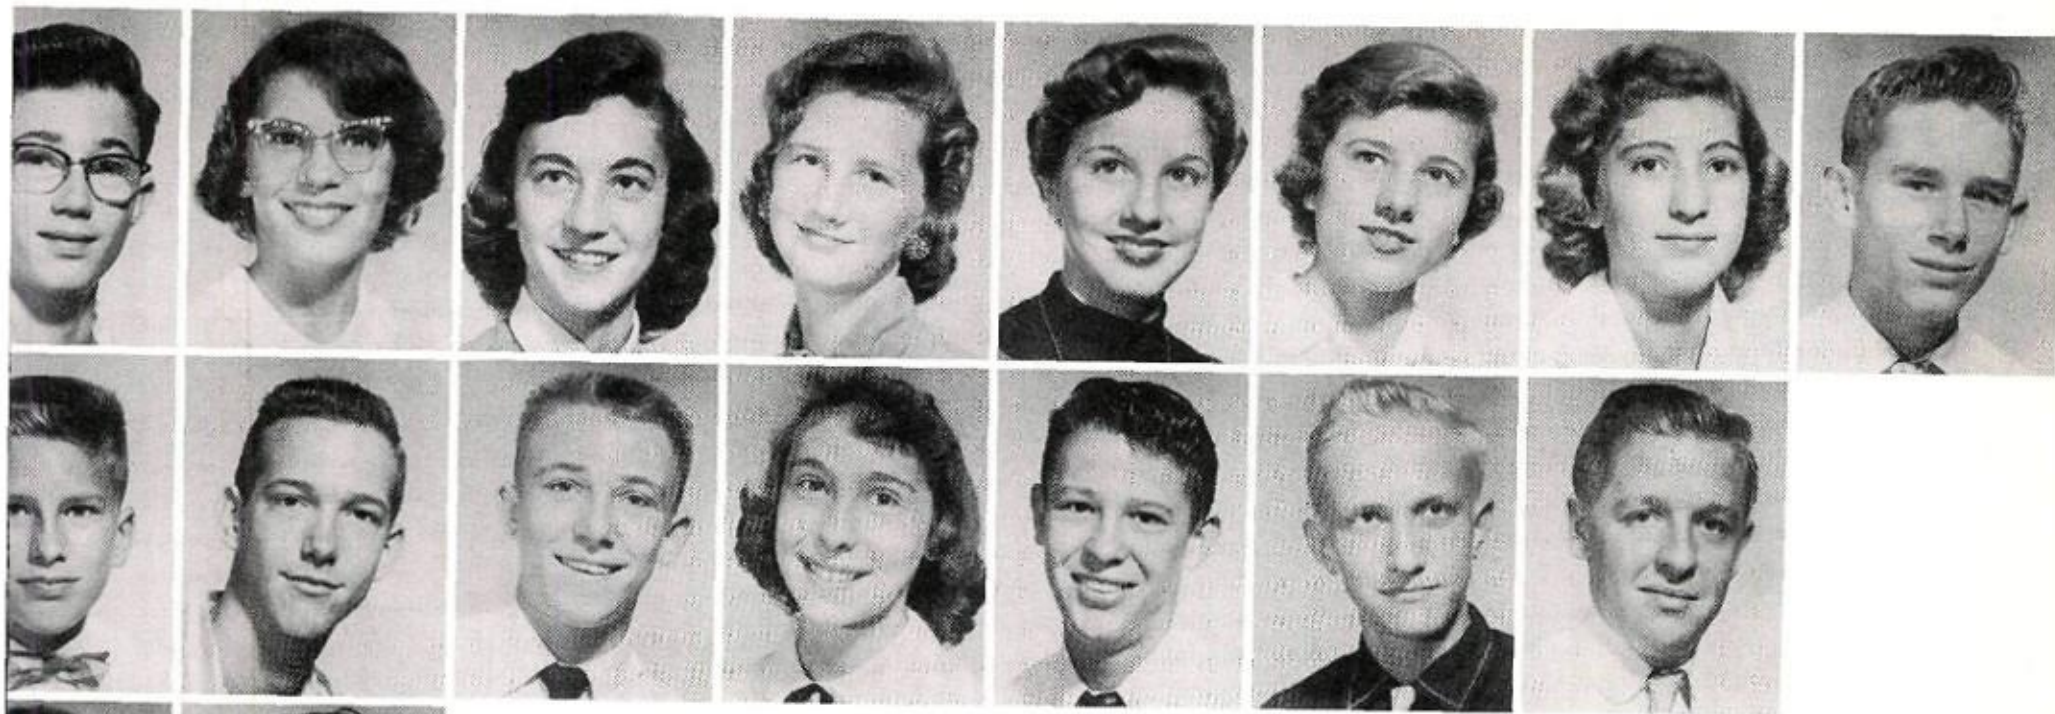

The ninth grade class of McCallum for '56 has the special distinction of being the last ninth grade to attend McCallum. Henceforth, this grade will be a permanent part of Lamar Junior High; but they're going out with a bang. The class had its own pep squad and cheerleaders to yell its football and basketball teams to many outstanding victories and spur the football team to take second place in the battle for city championship. It has been a separate group from the rest of the school, and yet, it has been a loyal, supporting group. We bid it a fond farewell.

FRESHMAN OFFICERS

After the hustle and bustle of a hot school day, freshman class officers enjoy the coolness of Zilker Park and a fellow-classmate's jokes. Left to right are: Gayland Lyles, Vice-President; Martha Amis, Secretary; Diana Reaks, Reporter; and Jerry Squyres, Sergeant-at-arms. Not shown is Chuck Joyce, President.

James Abney, Joan Alber, Babs Allen, Rose Allen, Martha Amis, Barbara Anderson, Karen Bailey, Wallace Bailey, Charles Baltzer, Billy Bandy, Ernest Barnard, Brenda Barns, Dale Barnes, Ernest Borth, Leo Basham.

 half-time activities.

Charlene Smalley and Buddy Furgerson reminisce about the three years they have spent at McCallum.

New School Year Begins With Varied Activities

September 7 saw McCallum's portals thrown open once again to the approaching students. Previewing the busy calendar to some, the week was filled with program changes, pep rallies and poster painting. Our first game of the season, played against Austin High, climaxed this busy first week.

Above: Linda Willoughby, Sandra Wade, and Carol Perkins join the happy crowd preparing to rush onto the field when McCallum won its Sept. 10 game against Austin High, 9-0.

Left: Tensely watching the toss-up are McCallum's Ronald Green and Johnny Kennedy, and Austin High's Alton Greeven and John Babcock.

Above: Pattie Voelkel, Jane Watson, Barbara Norwood, and Cy Bowling have a good time on the bus trip to Palestine Oct. 14.

Right: November finds the annual staff working with a file.

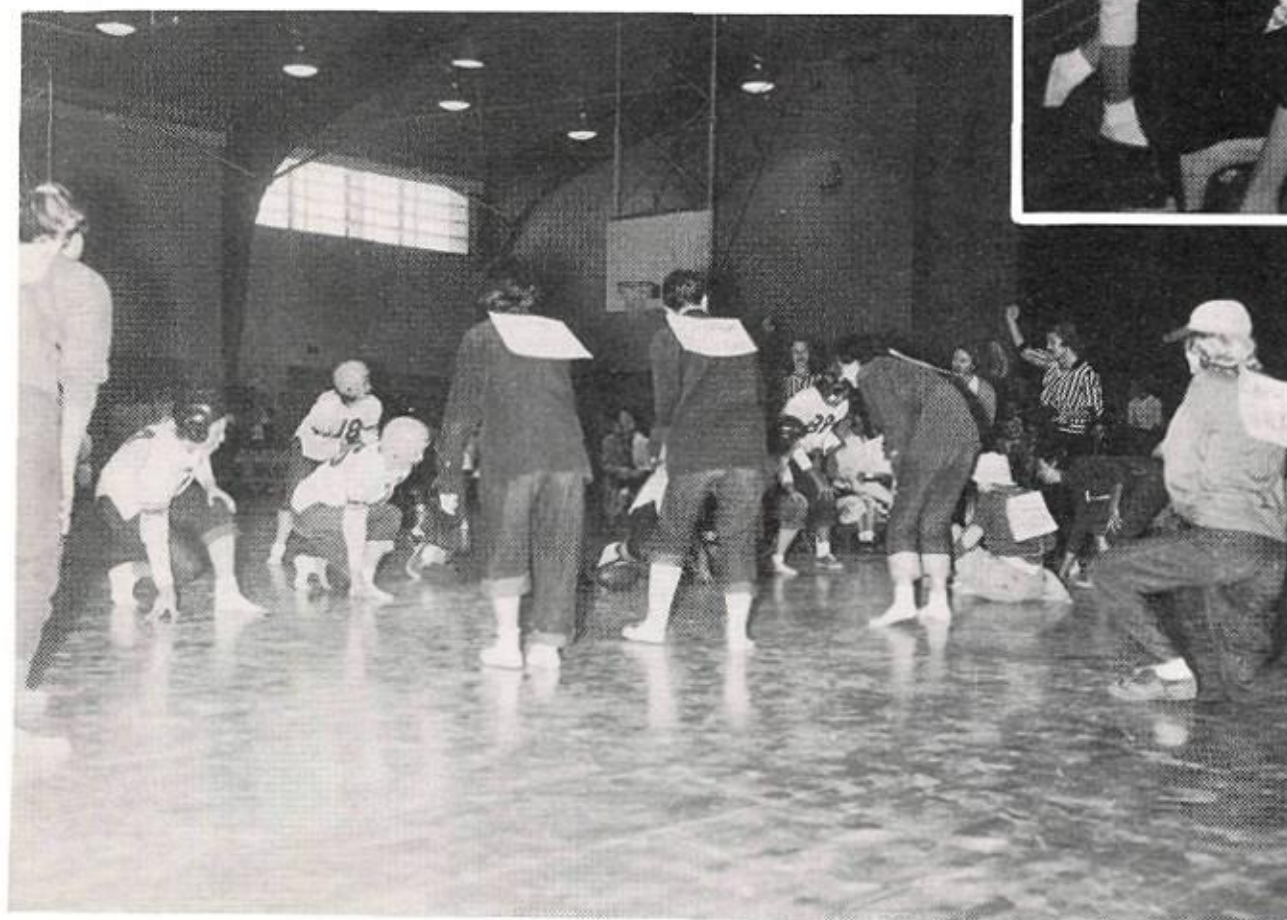

Right: The Blue Brigade enjoys a before game party at Patty Voekel's house.

Below: The band members help keep things moving at the annual before-Travis game bonfire.

Above: Robbie Hargis, Lois Shelton, Barb Bartow, Ann Kinch, Beverly Mell, Gloria Mitchon, Bebe Lee, Helen Plummer, and Carolyn Dice are a few of the members of the Blue Brigade and cheerleaders who worked on decorations for the Fantasy In Blue Ball.

Left: A mock football battle between Travis and McCallum was enacted by the Blue Brigade during an all-school assembly. Naturally, McCallum won!

After the final performance of "Harvey" the members of the R.C.P. gave a reunion party in the school cafeteria.

October 21 and 22 saw the climax of three months of hard work by a cast of 250 people, dedicated to the successful production of the '55 Press Capades presentation of Booth Tarkington's "Seventeen." Presented in the round, the play charmed capacity crowds both nights.

One of the many displays which called attention to Press Capades was this eye-catching window.

A variety show in '53, "Annie Get Your Gun" in '54 and "Seventeen" in '55 — this is a record of productions of which McCallum will be proud. A McCallum "first," Press Capades, for the past two years has been the biggest activity sponsored in the school and it promises to grow larger every year.

Hard Work Goes Up In Roaring Flames

The day before the Travis football game is one of utter excitement. Everybody contributes to the stack of wood that will soon crackle and blaze in anticipation of the coming game. A partial holiday in honor of the occasion allows students to scatter all over the city to round up wood in any shape, form, or fashion. Even some of the city's lumber yards get in the mood and donate scrap lumber.

At 8 p.m. amid shouts and cheers, the days and weeks of toil go up in a huge flame. With the help of the cheerleaders the crowd gives a few cheers and then trails up to the cafetorium for a brief dance to cool off excited nerves. It is a big night to prepare for a bigger one.

After the McCallum-Travis football game, there was a homecoming dance in honor of ex-McCallumites. This was the first time such a dance was held, but there are hopes that it will become an annual affair.

"Because of my great desire to play and work with athletics," is the reason Mr. Forrest Kline, head football coach, gave for coaching. The well known teacher at McCallum is extremely capable of coaching some of our athletes. A graduate of Texas Christian University, Mr. Kline majored in PE and was an All-Conference Player.

The 1939 Sugar Bowl game, in which TCU beat Carnegie Tech 15-7, is Dutch Kline's favorite moment in playing football. While coaching at Austin High in 1949, his greatest moment in coaching was registered. Austin was defeated by Port Arthur in the semi-final play-offs. Mr. Kline played basketball as well as football while going to Taft High School in Taft, Texas. He earned six letters in high school and three in the university. He made the All-District Squad while in high school.

Scoring first on a safety, the Knights then pushed across a touchdown and a conversion to squeeze to victory. All the scoring came in the last five minutes of play. A blocked kick gave the Knights the safety. Kirk Grubb, David Bradshaw, Jack Madden, and James Frey sparked the touchdown drive.

McCallum — 6
Alice — 39

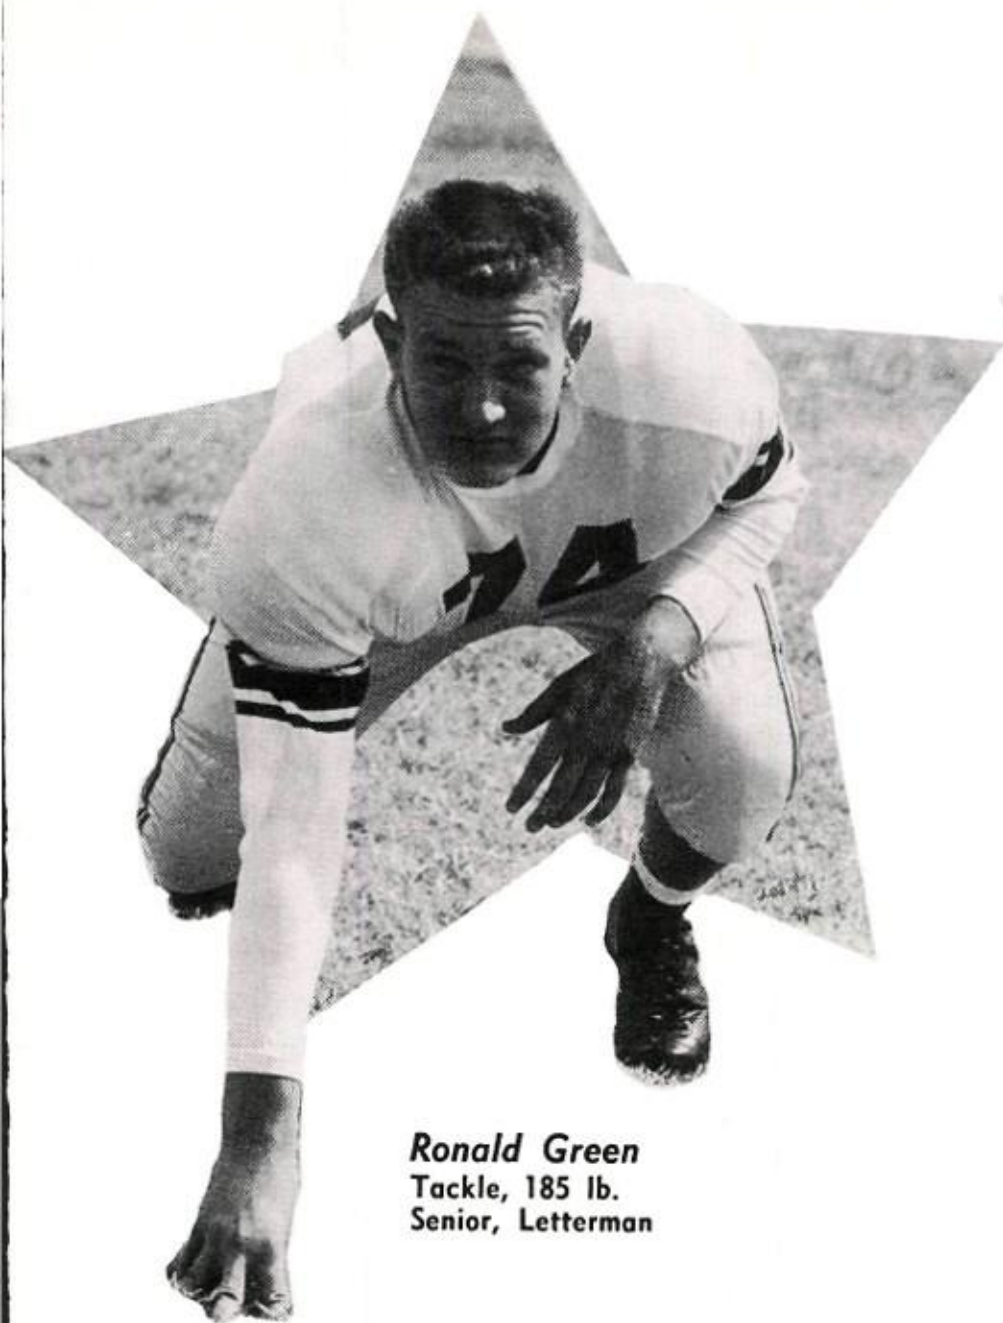

Riding a two-game winning streak the Knights invaded Alice to continue on the right road. On to find the Coyotes waiting in ambush to hand the Knights a 39-6 defeat. Capitalizing on fumble by Alice, McCallum scored its only touchdown on the fourth play of the ballgame. The the Knights ran into a brick wall and were halted without a further scoring chance.

Brownwood — 6

Although they showed good defensive play in the clutches the Knights could never start their offensive threat against the Brownwood Lions. The Knights' biggest threat in its first district game was Ronald Green's interception of a Lion pass and run-back to the Brownwood 11 yard line.

McCallum — 13
Palestine — 24

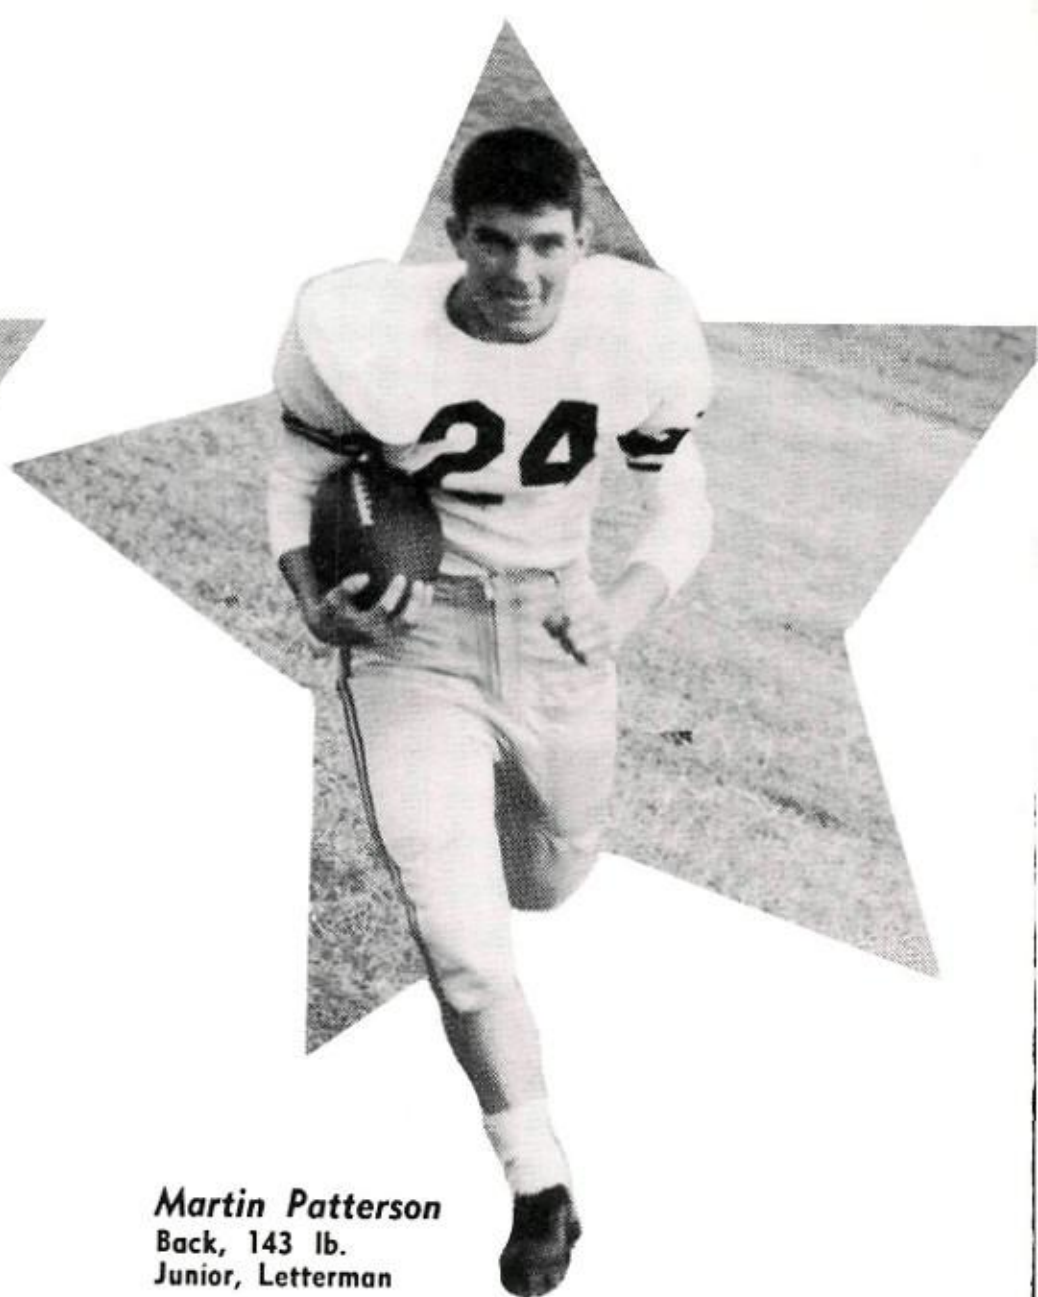

Playing the best game of the year, the Knights lost their second straight district game of the season. The passing of James Frey and pass receiving of Errol King combined to score both of the touchdowns for McCallum. One was a 67 yard pass and the other a 26 yard pass.

Failing to score on good breaks early in the game McCallum could not penetrate a strong Bryan defense. One drive was stopped at the 5 yard line. After Bryan had scored early in the fourth quarter to lead 6-0, the Knights recovered in time to tie the game with a 55-yard surge climaxed by James Frey's one yard scoring plunge.

With a split second left in the game, Corsicana's Dale Wood scored to give McCallum its third district loss. Frank Weise, Charles Scallorn, and James Frey paced the Knight offense. The punting of Kirk Grubb was a highlight in the game and throughout the season.

McCallum — 6
Temple — 38

Only in the fourth period did the Knights show a spark and that was against a group of determined Temple reserves. McCallum's one score came on a daring fourth down situation with ten yards to go for a first down. James Frey tossed a pass to David Bradshaw for the lone touchdown.

Frank Weise shown hitting the Brownwood Lions line hard for that needed yardage to make a first down. The Knights lost the defensive game 6-0.

For McCallum it was the fifth District 5AAA loss against one tie. As in previous games the Knights' offense and defense showed signs of improvement but remained spotty. As in many cases before, the Knights scored only one touchdown. For this lone tally McCallum, recovered a University Trojans fumble with Don Burch's run around end for the score.

ALL STATE

A quick and ready smile typifies the hazel-eyed Jay Arnette of McCallum. Born in Austin, Texas on December 19, 1938, with a "basketball in his hands," Jay became McCallum's first All-State basketball player.

The 6' 2", 160 pound star began his athletic career at Baker Junior High School, where he participated in basketball, football, and track. While at Baker, Jay was named on the All-City basketball team.

In his early teens Jay also participated in the Little League, Little Bigger League, and the Babe Ruth League. While in these leagues, he was named to attend the world series in all three leagues—first going to Williamsport, Pennsylvania; then to Trenton, New Jersey; and finally to Washington, D. C.

While at McCallum, Jay has earned two letters in track besides holding the regional and district high jump record.

Jay has not only been successful in athletics, but he has been a school leader as well. He was Student Council vice-president at Baker Junior High School. The brown-haired athlete also held offices during his junior and senior years in his advisories. Jay was king of the Coronation Ball this year.

Jay's star performance of the year came in the Corsicana game when he scored 47 points for the Knights.

Mr. Jimmy Viramontes, head basketball coach, will be a figure sorely missed around McCallum next year. Next year Jimmy will be assistant basketball coach at the University of Texas—a gain for U. T. and a loss for McCallum. "I am very fortunate and it is definitely a big challenge," is the reply he gave about coaching at Texas.

Besides coaching basketball for the past three years, he has also been assistant B team coach in football and a varsity football scout.

Having been born in New Mexico, he attended Las Cruces, N. M., High School, where he lettered in basketball and baseball. Mr. Viramontes went to New Mexico A&M for one year and finished his college career at the University of Texas. He was an All-State basketball player in high school and an All-West Coast Navy player in 1947-1948.

Anyone who remembers the 1951 Southwest Conference race will remember it was Jimmy who stole the ball from Texas A&M with a few seconds left in the game. Then he passed off to a teammate who scored and gave the Longhorns a tie for the championship. All of us here at McCallum wish him all the luck at his new assignment.

Left to right: Delbert Moberg, Mike Milam, Buddy Furgerson, Charles Betts, Jay Arnette, Jim Perry, Jimmy Brown, Melvin

Vasbinder, Lanny Nelson, Wayne Drosche, Greg Martin, and Jack Secord.

Coach Jimmy Viramontes' McCallum Knights failed to win their third straight district title but instead settled for a second place berth just one game from the top spot. The Brownwood Lions, one of two new teams in the district this year, won the 14-game schedule race with 11-3 mark while the Knights posted a 10-4 record.

McCallum started its district bid before the Christmas holidays by bowling over the Travis Rebels 58-43. Four Knights jumped into the double scoring column with Jay Arnette and Jimmy Brown each with 14, Jim Perry 12, and Buddy Furgerson 11.

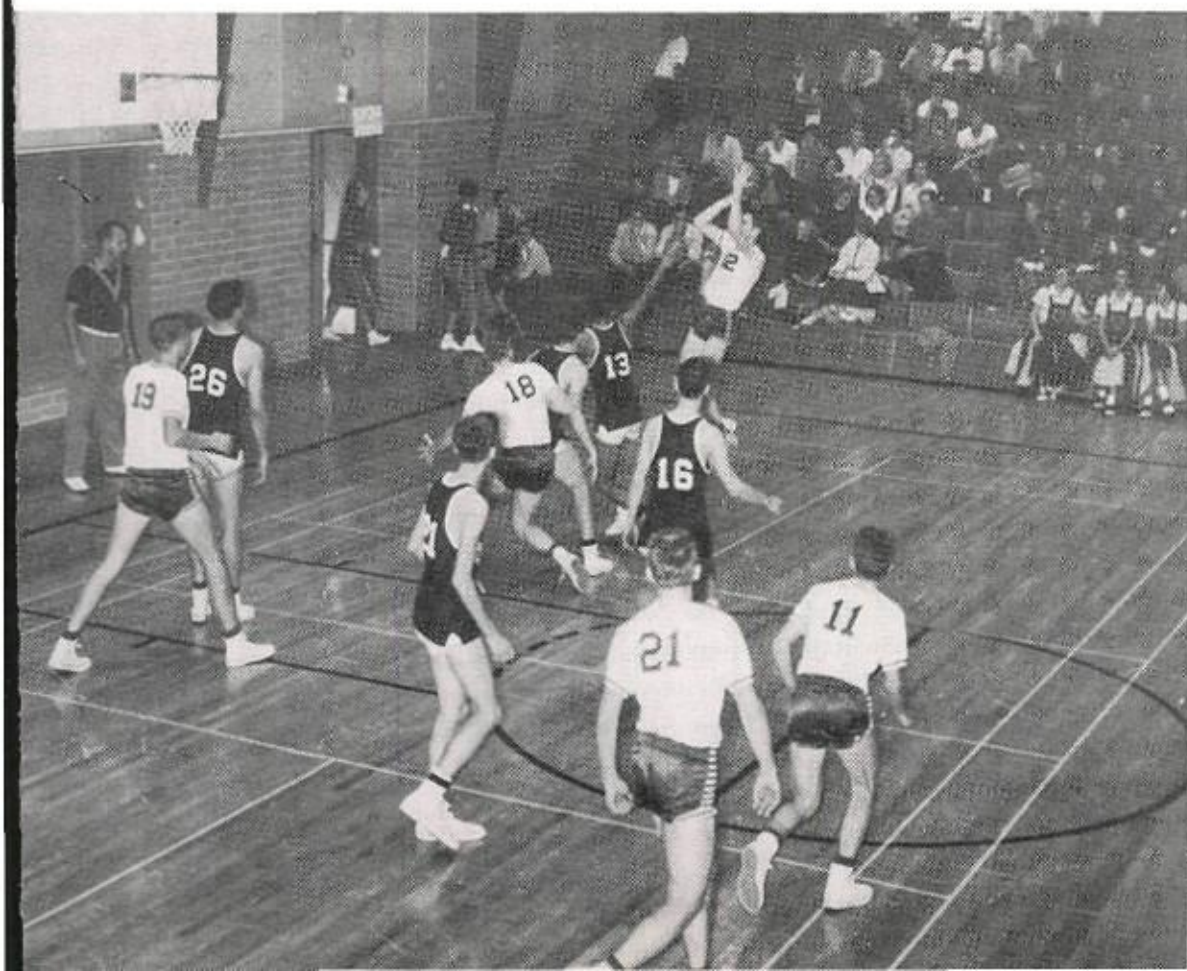

The Knights tasted defeat by virtue of a late quarter surge after the holidays as the Bryan Broncos spilled the Knights 55-53. Flashy Arnette tossed in 30 points to sum up the Blue and Gray's scoring.

Playing weak University High (Waco), the other of two new district foes, the Knights exploded to a 64-42 victory. Coach Viramontes' one-two punch of Arnette and Brown with 23 and 20 points respectively led the brigade of points the Knights showered at the hoop.

It is not always the big guy that scores all the points. Here's *Delbert Moberg* scoring on a lay-up.

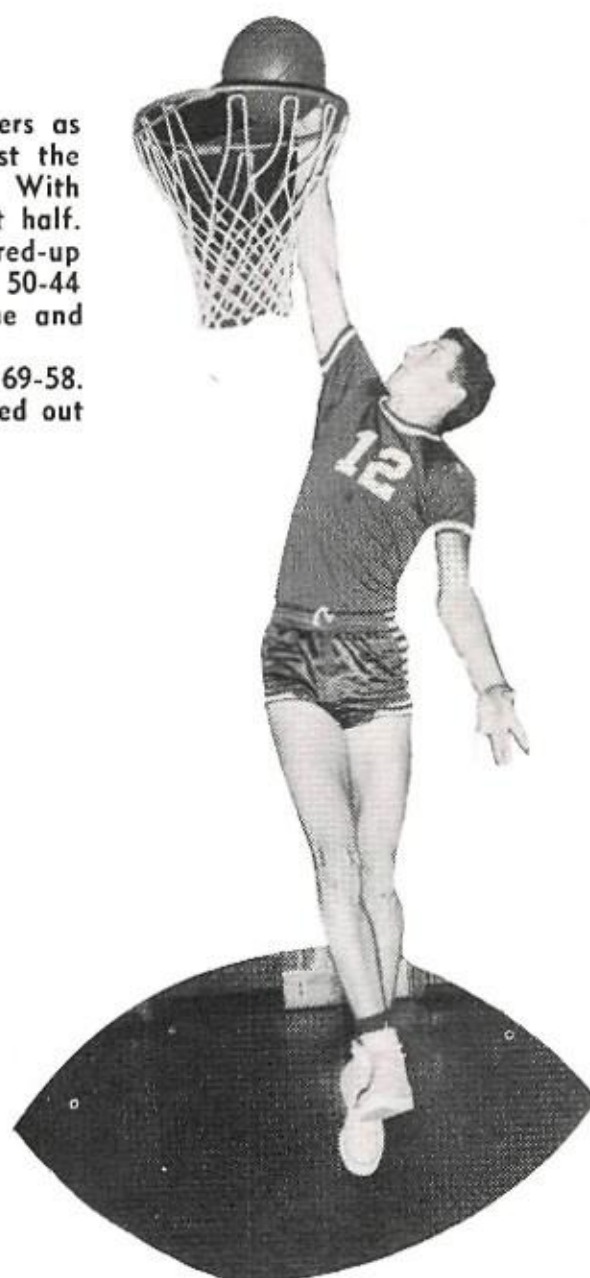

A supposed classy Brownwood Lions "5" dropped into the spacious Knight gym next, but the outclassed Lions found too much Knight punch. McCallum raced to a 69-54 win as Arnette-18, Perry-15, Jack Secord-12, and Delbert Moberg-11 paced the Knight scoring. Faring well in district action, Coach Viramontes took his quintet to Temple only to see the Wildcats squeeze a 56-54 victory over the Knights. Excitement was high but the Knights just failed to tame the Wildcat den. Scoring hawk Arnette with 21 and big 6-5 sophomore Brown with 20 topped the McCallum scoring. Returning to home grounds, the Knights paced by Brown and Arnette's 20 and 19 points respectively led all the way in downing the Palestine Wildcats 55-47. This bunch of Wildcats were tamed to a silent purr as the Knights rebounded from the Temple defeat.

Buddy Furgerson
Senior, Letterman

Arnette, the Knight flash, bounded to his greatest height against the Corsicana Tigers as Jay tallied 47 points (19 from the field and 9 free tosses) to lead the Knights past the helpless Tigers 73-46. Jay toppled the District 5AAA scoring record by some 8 points. With this win (via Arnette's 47) Coach Viramontes's crew posted a 5-2 record for the first half. Riding high and mighty, the Knights weren't to be denied, as they thought, but a fired-up Travis Rebel quint plugged the Knights district hopes to a drip as the Rebels stalled a 50-44 win over the lifeless Knights. The Rebels got a lead and from there took their time and coasted to victory. Arnette bagged 20 points. Apparently the Knights were on their way to recovery as the Bryan Broncos bowed 69-58. A special Bryan defense for Arnette back-fired as the senior flash totaled 36 and fouled out with 4:42 left in the game. Perry hung in 13.

Scheduled to play University next, the Knights bowed to the weather man as the game was postponed until a later date.

Brownwood 49-McCallum 44. The facts are cold and fast. The Lions turned in their best performance all year, as the Knights were cold all night. Some anti-freeze could have helped the Knight cause. Top scorers for McCallum were Arnette 16 and Brown 10.

Jolting back to reality, McCallum played host to Temple. The Knights routed the 'Cats 68-53 as Viramontes cleared the bench. Arnette, Perry, Brown, and Secord with 28, 14, 13, and 11 points respectively accounted for the Knight tallies.

Venturing to Palestine, the Knights drubbed the 'Cats 64-55. Of the 64 total Arnette grabbed 28 while the Sophomore flash, Brown got 2

The Knights next played a before-mentioned postponed game with University High that the Trojans would probably like to forget fast. McCallum raced the Trojans from one end of the gym to the other in making an easy 71-51 victory. Arnette 30, Perry 17, and Brown 12 accounted for most of the Knights' total.

Five seniors and one coach closed out their basketball wars for the McCallum Knights as the Blue and Gray socked the Corsicana Tigers 1-59. Arnette 24, Perry 17, and Brown 13 topped the Knight scoring.

By Arnette, Jack Secord, Jim Perry, Buddy Furgerson, and Greg Martin were the seniors saying good-bye to high school basketball and head coach Jimmy Viramontes was the coach enjoying his last year of high school competition.

Viramontes will venture to the University of Texas where he will assist Marshall Hughes, UT's head basketball tutor.

Jay Arnette shows his very high scoring ability which is one reason why he was voted on the AAA All-State team.

Jimmy Brown

All-City

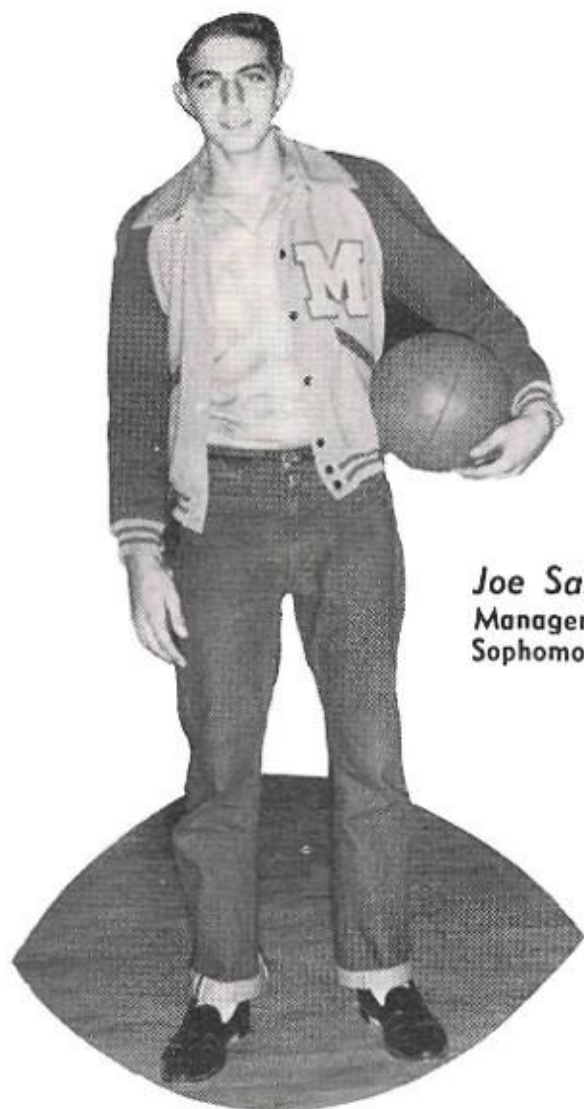

Playing inspired basketball throughout the hoop year, the McCallum Knights ended District 5AAA in second place just one game behind the league leading Lions of Brownwood.

Arnette, the one man scoring flash for the Knights, ran away with the district scoring by totaling a 100 plus margin over the second place scorer. Via this outstanding record, Arnette was picked on the class AAA's number one unit to be the first Knight to gain such an honored position.

Jimmy Brown, the tallest McCallum player in three years—6-5—was honored by being selected on the all city team and he received some all district recognition.

"Cowboy" Jim Perry also received some mention on the all city team via some hustling spirit.

Although this year's hoop team can't brag about a district championship like the past Knight quintets, it does hold something the other clubs just failed to reach. And that was a victory over the SF Austin Maroons on Dec. 13, 1955 by a score of 45-44.

The likable and good-natured Charles Munson, head baseball coach and a football coach, is a familiar figure around McCallum. Charlie was born in nearby Manor, Texas and went to Austin High School. While attending Austin, he lettered in baseball, basketball, and football. An All-State football player, Mr. Munson played in the North-South All-Star football game.

Mr. Munson went to the University of Texas and majored in P.E. He says that 1949, when Texas won the NCAA Baseball Championship, furnished the greatest moment in his playing career. 1954 supplied Mr. Munson with his best thrill in coaching . . . McCallum beat Palestine to tie for the district championship.
